Payment Terms

The applicant will be required to pay a deposit of 20% of the purchase price immediately upon signing this application. The balance of the purchase price must be paid:

- in full within 30 days; or
- if the Cemetery agrees, in monthly instalments over a period of up to four months.

Fees must be paid in full before:

- an interment or cremation is performed; or
- a plaque/headstone/monument is ordered.

The Cemetery reserves the right to alter fees without prior notification.

However, once the Applicant has paid a deposit, the fee will be fixed (even if the Cemetery increases the fees for that service before the Applicant has paid in full).

If payment of the balance of the purchase price is not made within 30 days, or in accordance with an agreed instalment plan, the Cemetery may terminate or cancel the application. If this occurs, the Cemetery will refund any payments already made (less the applicable cancellation fee).

We accept direct debit, cash, cheque, VISA, MasterCard and BPAY payments. Credit card transactions may incur an additional fee. Please note: if a purchase is for a service that is to occur within seven working days, a personal or company cheque is not acceptable.

If the Cemetery does not accept this application, the Cemetery will refund, in full, all amounts paid by the Applicant.
